

CoHELP

COVID-19 Healthcare E-Learning Platform

How do we tackle COVID-19 in PNG health services?

Be prepared for COVID-19

The WHO and National Department of Health have partnered with the Australian Government to deliver this essential online training on COVID-19 to provide essential knowledge required for COVID-19 outbreak in Papua New Guinea.

This training is developed for all health care staff, students, volunteers, it contains practical resources and scenario training.

You can access it from your smartphone, tablet or computer. You will have access to:

- Recorded lectures
- Interactive trainings
- Practical resources
- Discussion forums
- Weekly live Q&A's with expert lecturers
- Certification as you complete training modules

To access the training all you have to do is register by clicking on the link below!

<https://cohhelp.learnbook.com.au>

All online content is published and available for you to work through at your own pace. You can work through it with your colleagues or on your own. We have completed one 14 week lecture series and due to the high demand for this course we will be rerunning this series in a new interactive format starting on the 18th of September.

If you need help attaining internet service, using the platform or you are interested in being a local advocate for CoHELP contact us by emailing cohhelpadmin@johnstaff.com.au or any PHA representative. We can organise internet connections, IT and learning support or other resources you need.

Our next webinar times

Live webinar discussions are run at 2pm (Lae time) every Friday.

You can join these webinars by clicking on this link every Friday:

<https://us02web.zoom.us/j/89976310887?pwd=eTVyMylEdWdyS0dlMUtkdmxjbUJxdz09>

If this time does not suit, you can access the recorded versions on the platform at any time. By logging in to <https://cohhelp.learnbook.com.au> and clicking on the Seminar Tile which looks like this:
